## **XVIII Airborne Corps and Fort Bragg Regulation 190-5**

### **Chapter 1**

**1-1. Purpose.** This regulation establishes policies and procedures governing motor vehicle traffic on Fort Bragg.

**1-2. References.**

a. Army Regulation (AR) 190-5, Motor Vehicle Traffic Supervision, 8 Jul 88.

b. Army Regulation 190-29, Misdemeanors and Uniform Violation Notices Referred to U.S. Magistrates or District Courts, 1 Mar 84.

c. Fort Bragg (FB) Regulation (Reg) 210-5, Area Police, Appearance, and Maintenance, 2 Mar 92.

**1-3. General Policies.**

a. Violation of any provision of this regulation is punishable under the provisions of Article 92, Uniform Code of Military Justice (UCMJ), as a violation of a lawful general regulation.

b. Violation of North Carolina traffic laws (North Carolina General Statute (NCGS), Chapter 20, Motor Vehicles) is punishable under Article 134, UCMJ, through application of the Assimilated Crimes Act, Title 18, United States Code, Section 13 (Misdemeanors and Felonies) and 32 CFR 210 (Infractions). North Carolina laws may be reviewed at the XVIII Airborne Corps and Fort Bragg Provost Marshal Office (PMO).

(1) Petty traffic offenses (sub-misdemeanor level) committed by either civilians or military personnel on Fort Bragg will be processed in the United States (U.S.) Magistrate Court.

(2) All misdemeanor traffic offenses (including driving under the influence (DUI)) committed by military members on Fort Bragg, in which the military does not specifically request military jurisdiction, will be processed in the United States (U.S.) Magistrate Court. All misdemeanor traffic offenses committed by civilians on Fort Bragg will be processed in the U.S. Magistrate Court.

c. The privilege to operate a vehicle on this installation is reserved for persons of maturity, responsibility, and sobriety, and to those who show good judgment.

d. Authority to revoke, suspend, or restrict installation driving privileges is delegated to the Garrison Commander.

e. All persons entering the Fort Bragg Military Reservation are liable to search upon entry, while within the confines of the installation, and upon exit. Such searches must be based upon probable cause to believe that an offense has been committed and that

## **XVIII Airborne Corps and Fort Bragg Regulation 190-5**

the individual to be searched has committed it, or upon military necessity.

f. Commanders of units and supervisors of activities will bring these traffic regulations to the attention of their personnel and all incoming personnel.

g. The blood alcohol content for on-post driving offenses committed by a service member which requires a general officer letter of reprimand will be 0.08 percent or higher.

h. Privately owned recreational vehicles (PORVs) (such as, motor homes, boats, campers, and trailers) may not be parked at private residences due to space limitations. These PORVs may be stored at the Community Activities and Services Business Center (CASBC) lot or off post.

## **Chapter 2**

### **2-1. Installation Driving Privileges.**

a. The Garrison Commander or his designee may revoke or suspend installation-driving privileges under the following circumstances:

(1) For violation of UCMJ Article 111 (Drunken and Reckless Driving), or corresponding NCGS offenses.

(2) When a person operating a vehicle on the installation is cited for speeding more than 20 miles per hour in excess of any posted speed limit or for violating NCGS for reckless driving. In these cases, the period of revocation will be 12 months.

(3) Upon recommendation of the unit commander. Unit commanders may request revocation or suspension of the installation driving privileges for members of their command when measures such as counseling, remedial driver training, or other rehabilitation programs have failed to produce the desired driving performance. (Address revocation/suspension requests to the Garrison Commander, and endorse them through the brigade/group level and the Office of the Provost Marshal.)

(4) For two or more moving traffic violations in a 12-month period.

b. Army Regulation 190-5, paragraph 2-5, lists certain situations where suspension or revocation of driving privileges is mandatory. Administrative due process procedures for suspensions and revocations of driving privileges are set forth in AR 190-5, paragraph 2-6.

c. Restricted driving privileges. The individual's chain of command will submit requests for restricted driving privileges to the

## **XVIII Airborne Corps and Fort Bragg Regulation 190-5**

Garrison Commander, endorsed through the brigade/group level and the Office of the Provost Marshal. Requests will include proof of a valid state driver's license and, for drug or alcohol related offenses, proof of enrollment in the Fort Bragg Alcohol Drug Abuse Prevention Control Program. The Garrison Commander will forward decisions through the Provost Marshal and command channels to the individuals concerned.

### **Chapter 3**

#### **3-1. Vehicle Registration.**

a. Definitions. See Glossary for important definitions.

b. Vehicle Registration is accomplished by visiting a Vehicle Registration Center, completing required paperwork, presenting required documentation, and receiving/updating a decal set or temporary pass. The individual applying for the decal/pass must personally visit a Vehicle Registration Center. Only the categories of personnel/vehicles shown herein are authorized to register; others are not so authorized. Fort Bragg does not issue either "visitor" or "day" passes. General registration principles are summarized below.

c. **All vehicles are subject to search, regardless of whether they have a decal, have a temporary pass, or have neither.**

d. **Trucks larger than pickup truck size or passenger van size, and vehicles towing other vehicles/trailers/devices that cannot be readily visually inspected, are limited to using the Knox Street and Longstreet Access Control Points (ACPs).**

e. Changes in Terrorist Force Protection Condition (TFPCON) and/or military necessity may result in changes without notice to the procedures described herein.

f. Mandatory Registration.

(1) All active duty military personnel (including allied officers) and their family members assigned to Fort Bragg, Department of the Army (DA)/Department of Defense (DoD) civilians employed by Fort Bragg, local Reserve and National Guard members, and contractors working on Fort Bragg must register their privately owned vehicles (POVs) driven on Fort Bragg.

(2) If otherwise qualified to receive a DoD decal or temporary pass, rental and leased vehicles that serve in lieu of a POV or government owned vehicle (GOV) may receive a temporary pass valid only through the length of the rental or lease term.

## **XVIII Airborne Corps and Fort Bragg Regulation 190-5**

(3) Registration must be completed not more than five working days after in-processing the installation, or acquisition of a new vehicle. This includes vehicles already having a valid DoD decal from another installation.

g. Optional Registration. Retired military personnel and their family members, and surviving spouses and children of deceased military members who possess valid military identification (ID) cards may also register their vehicles. Civilians issued a DA Form 1602 may also receive decals.

h. Specific entitlement to register is reviewed on an ongoing basis, and current information is available at any Vehicle Registration Center. (See Appendix F for details on registration requirements.)

i. Registration of/as a commercial/company vehicle overrides all other entitlements and criteria for registration.

**3-2. Decals.** Decals are normally issued for long-term registrants (typically one year or more). They consist of a blue-and-white DD Form 2220, a color-coded Fort Bragg tab, and a one- or two-part expiration date tab. Vehicles with decals may use any open ACP, as well as lanes that are designated as "Decal Only" lanes, subject to the limitations of paragraphs 3-1c and 3-1d above.

**3-3. Temporary Passes.** Temporary passes generally carry the same level of privilege as decals. Vehicles with temporary passes may use any open ACP, as well as lanes that are designated as "Decal Only" lanes, subject to the limitations of paragraphs 3-1c and 3-1d above. Temporary passes will be issued to personnel, including personnel on temporary duty (TDY) to Fort Bragg and all other categories, only if there is an ongoing requirement to access the installation for at least eight days from the date of application for the temporary pass (See Appendix F).

a. Temporary passes are typically issued in cases where personnel would otherwise normally be eligible for a decal, but the term of registration is expected to be shorter than one year, such as rental vehicles, personnel having vehicle lease contracts, employees considered to be in high turnover jobs/occupations, etc. They are also typically issued where basic eligibility to register has been established, but where there are issues regarding the length of the term of registration.

b. In addition to the above, vehicles transporting people on official government business at the request of a Fort Bragg official (such as authorized service providers under government contract) may receive a temporary pass not to exceed (NTE) six months or the duration of the service, whichever is shorter. The Garrison Commander, Deputy Garrison Commander, or business center

### **XVIII Airborne Corps and Fort Bragg Regulation 190-5**

director/brigade commander/tenant activity commander (usually a COL or equivalent) permanently assigned to Fort Bragg must sign a memorandum requesting a temporary pass for such persons under his/her supervision. (See Appendix C for format, and paragraph 3-7h for additional details.) Personnel applying for temporary passes under this provision must use the Randolph Street Vehicle Registration Center. Temporary passes granted under this provision are appropriate for (but not limited to):

- (1) Womack Army Medical Center interns and residents.
- (2) Trucks or other commercial/company vehicles of certain contractors/vendors/entities who have a habitual, long-term (six months or more) relationship with the installation (e.g., food supplier trucks, soft drink company trucks).
- (3) Wildlife officials/volunteers who routinely inspect/assist the Public Works Business Center (PWBC).
- (4) Allied students attending a military school.
- (5) Faculty at on-post colleges/universities.
- (6) Red Cross volunteers.
- (7) Local businessmen, professionals, and political officials who have a habitual, long-term (six months or more) relationship with Fort Bragg (e.g., funeral homes, Womack home health care providers).
- (8) Taxis, limousines, or other commercial vehicles for hire used to transport personnel on post, whose companies have a habitual, long-term (six months or more) relationship with the installation. (Note: Vehicles in this category having a temporary pass may use "Decal Only" lanes when coming on post to pick up passengers, but must go through one of the inspection lanes when bringing any passengers on post.)
- (9) Important: Temporary passes issued to personnel in all categories falling under the provisions of subparagraph 3-3b are valid only for the specified individual in the specified vehicle. For example, if Mr. Smith always drives Cement Truck #4 under contract from Hard As Nails, Inc.,, it is eligible for a pass. However, if Cement Truck #4 is in the company fleet and may be dispatched to any employee, it is not eligible for a pass.

c. Temporary passes may be issued for up to six months for personnel transporting ID card holders in the following situations, and are limited to use only while the temporary pass holder is actually transporting the ID card holder to a bona fide destination (such as a medical appointment), with the ID card holder in the vehicle:

### **XVIII Airborne Corps and Fort Bragg Regulation 190-5**

(1) Family members of ID card holders who due to a medical condition are unable to drive. When registering, these family members must present the memorandum the ID card facility prepares in such cases.

(2) Parents/guardians of minor children ID card holders, where the parents/guardians are not themselves eligible for decals/passes.

#### **3-4. Situations in Which Registration/Decals/Passes Are Not Required.** Registration/decals/passes are not required for:

a. Non-self-propelled recreational vehicles (RVs); such as campers, boats, or trailers. (Self-propelled RVs, such as motor homes, are subject to normal POV registration requirements.)

b. All terrain vehicles (ATVs) and other POVs designed solely for off-road use and actually used solely off-road.

c. Tactical vehicles.

d. Non-tactical vehicles with U.S. government license plates.

e. Emergency response vehicles.

f. Construction equipment towed or hauled on a primary vehicle.

g. Materiel handling equipment, such as a forklift, that is typically kept and used at a construction site or in a warehouse.

h. Fort Bragg school buses.

i. Local public transportation vehicles such as Fayetteville Area System of Transit (FAST) buses.

j. Bicycles and mopeds not required by the state of North Carolina to be registered as motor vehicles. (Note: Personnel using these as a means of transportation between off-post and on-post locations may register them at their option, provided they are otherwise qualified to register a vehicle.)

#### **3-5. Situations in Which Decals/Passes Will Not Be Issued.**

Decals/passes will not be issued to the following (these categories of personnel/vehicles are not eligible even under the provisions of paragraph 3-3b above):

a. Unaffiliated personnel who use sports or entertainment facilities, hunt, fish, or visit family or friends (such as in family housing or in the barracks) on the installation.

b. Unaffiliated fast food delivery personnel.

### **XVIII Airborne Corps and Fort Bragg Regulation 190-5**

c. U.S. Mail trucks, Federal Express (FedEx) trucks, United Parcel Service (UPS) trucks, and other package delivery trucks - even if they have a habitual, long-term relationship with the installation.

d. Unaffiliated college students who are continuing their education through on-post college/university classes.

e. Vehicles with dealer plates.

f. Employees who provide a personal service to Fort Bragg residents (e.g., maids, landscapers for individual family quarters, tutors, etc.).

g. Multi-driver fleet vehicles (e.g., commercial vehicles where the driver of any given vehicle is subject to changing from day to day, as opposed to a specific driver regularly using a specific vehicle).

**3-6. Very Important Person (VIP) Passes.** XVIII Airborne Corps Protocol will issue VIP passes to dignitaries invited to Fort Bragg by the installation commander for functions that promote goodwill and understanding of the Fort Bragg mission. These passes will be valid only for the date(s) of the event. Personnel seeking VIP passes will coordinate directly with XVIII Airborne Corps Protocol (telephone (910) 396-2804/9417/2409/2317) to obtain these passes.

### **3-7. Documentation Required to Register a Vehicle.**

a. To register a vehicle, an individual must show a state registration, a valid state operator's license (not under suspension or revocation), proof of insurance, proof of Social Security Number (SSN), and proof of employment (such as, a military ID card, copy of contract plus memorandum on company letterhead with registrant's name using format at Appendix B, etc.).

b. All applicants must complete FB Form 2229-E, Vehicle Registration Worksheet, at Appendix A. This form is accessible on the Fort Bragg Web site at <https://dragonnet.bragg.army.mil/itbc/forms/>.

c. Foreign students and allied officers must present a valid host nation driver's license or international driver's license if they do not possess a valid state driver's license.

d. Active duty military personnel registering a motorcycle must also show proof that they have completed a Motorcycle Safety Foundation (MSF) certified Experienced Rider motorcycle safety course. (Contact the Fort Bragg Safety Office at 396-7233 for further information on this requirement and for course schedule.)

### **XVIII Airborne Corps and Fort Bragg Regulation 190-5**

e. Rental or lease documentation must be presented, if applicable.

f. If state registration, lease agreement, etc., is not in the name of the registrant or their spouse, a power of attorney or notarized statement from the owner of the vehicle specifying the inclusive dates for which permission to use the vehicle has been granted, must be presented.

g. Personnel employed by companies that have contracts with Fort Bragg, when applying for a decal or a temporary pass for their POV, must present a current memorandum from their company every time they apply for registration. (See Appendix B)

h. A current memorandum developed under the provisions of paragraph 3-3b above sponsoring personnel must be presented every time a temporary pass is applied for under the provisions of 3-3b. The format for this memorandum is at Appendix C. The Garrison Commander, Deputy Garrison Commander, or business center director/brigade commander/tenant activity commander (usually a COL or equivalent) permanently assigned to Fort Bragg must sign a memorandum requesting a temporary pass for such persons under his/her supervision. The signature on each memorandum must be an original signature. This authority may not be delegated, and the director/commander must have a DA Form 1687 (Notice of Delegation of Authority - Receipt for Supplies) (Appendix D) on file at the Randolph Street Vehicle Registration Center. The DA Form 1687 will be prepared in three copies and provided to the Randolph Street Vehicle Registration Center. The director/commander will list himself/herself as the "Authorized Representative." In "The Authority To" block, enter the following: "Request temporary passes for vehicles transporting people on official government business." Separate organizations not having personnel in these grades will contact the PMO for guidance.

i. Personnel applying for registration under the provisions of paragraphs 3-7g or 3-7h above must bring the signed applicable memorandum (Appendix B format or Appendix C format, respectively) and other applicable documents to the Randolph Street Vehicle Registration Center to register their vehicles. Registration may be denied or rescinded based on conviction or pending charges of one felony, three misdemeanors, or other such information, as in the judgment of the Provost Marshal, is sufficient to warrant denial/rescission. Appeals for adjudication of registration denials or rescissions will be routed through the Provost Marshal to the Garrison Commander.

j. Additional details are listed in Appendix F.

### **3-8. Placement of Decals.**

a. Decals will be affixed in the manner prescribed by the Vehicle Registration Center, in accordance with AR 190-5. They will be directly affixed to the exterior of the front windshield. They may be

### **XVIII Airborne Corps and Fort Bragg Regulation 190-5**

placed either at the top center or to the lower left corner (driver's side) of the vehicle's windshield.

b. Decals will not be placed in the path of the windshield wipers.

c. Decals will not cover or interfere with any state-issued registration decal or emissions decal. They will not be placed in contravention of any state law or regulation.

d. On motorcycles, the decals will be affixed to the operator's front left fork lengthwise; or on the windshield, if so equipped; or on a state-approved inspection plate on the operator's left side.

e. Decals may not be placed on any loose or removable placard or device that can be transferred among vehicles. Any such decals will be confiscated.

#### **3-9. Clearing of Registered Vehicles.**

a. Military personnel who ETS (Expiration of Term of Service) from Fort Bragg must clear one of the Vehicle Registration Centers during out-processing and turn in their decals/temporary passes.

b. Military personnel on permanent change of station (PCS) orders must also clear one of the Vehicle Registration Centers during out-processing; however, they will retain the DD Form 2220 if the vehicle is being taken to their new duty station, and will in-process at the vehicle registration office at their new duty station. The decal may also be retained if they are being assigned overseas and their eligible family members will be continuing to utilize the vehicle in CONUS.

c. Family members of military personnel must clear one of the Vehicle Registration Centers when their sponsor ceases to be eligible for a decal/temporary pass, or when they themselves cease to be eligible for a decal/temporary pass.

d. Civilian personnel (including contractors) whose employment is terminated must turn in their decals/temporary passes.

e. Decals must be turned in at any other time when no longer being used by the individual to whom they were issued, such as replacement of a windshield, sale of the vehicle to another owner, etc.

f. To clear the decals, write the decal number on FB Form 2230-E, Vehicle Clearing/Turn-In Record and Receipt, at Appendix E, or on a plain sheet of paper before you remove the decal, as scraping it off may cause it to shred and make it difficult to read. Then remove and return to any Vehicle Registration Center the decals or residue thereof. Return them either on the turn-in form or the plain sheet of

## **XVIII Airborne Corps and Fort Bragg Regulation 190-5**

paper. This form is accessible on the Fort Bragg Web site at <https://dragonnet.bragg.army.mil/itbc/forms/>.

g. If for any reason the decal residue cannot be provided when clearing a decal, complete the turn-in form (Appendix E) explaining why the decal residue is unavailable, sign and date the form, and turn it in to a Vehicle Registration Center.

### **3-10. Lost, Stolen, or Unserviceable Decals.**

a. Report lost or stolen DoD decals to the Military Police. Clear the decal by following the procedure in paragraph 3-9g above.

b. Bring the residue of unserviceable decals (e.g., ink faded so serial number is no longer legible) to a Vehicle Registration Center. Clear the decal by following the procedure in paragraph 3-9g above.

c. Personnel who fraudulently attempt to gain access to the installation may be charged with trespassing and may be denied decal or pass privileges.

## **Chapter 4**

### **4-1. Speed Restrictions.**

a. General.

(1) No person will drive a vehicle on a highway or in a public vehicular area at a speed greater than that which is posted or reasonable under existing conditions.

(2) Except as otherwise provided in this regulation, it shall be unlawful to operate a vehicle in excess of the speeds outlined in paragraph 4-1b below.

b. Maximum Speed Limits. Except when a special hazard exists which requires a lower speed, the speed limits specified in this paragraph shall be the maximum lawful speeds:

(1) Fifteen miles per hour in any housing area.  
(2) Twenty-five miles per hour in any hospital or school zone.

(3) Ten miles per hour in any service drive in a housing area.

(4) Ten miles per hour in any parking area, motor pool, or motor park, unless otherwise posted.

## **XVIII Airborne Corps and Fort Bragg Regulation 190-5**

(5) Ten miles per hour when approaching or passing troops in formation.

(6) Unless otherwise directed, tactical vehicles will abide by the posted speed limit on all paved roads and 25 miles per hour on unpaved roads.

(7) Fifteen miles per hour for tactical vehicles operating with blackout lights or as directed by the commander.

(8) Twenty miles per hour (conditions permitting) when driving past an ACP on the outbound lanes where no median is present.

### **Chapter 5**

#### **5-1. Restricted Traffic.**

a. No person shall drive any tactical vehicle through any family housing area except in direct support of "Community Life" activities, e.g., removal of tree limbs or pine needles or the transportation of special project material (tables, swings, or athletic equipment). This prohibition also applies to commercial vehicles used tactically.

b. The following streets are closed to all traffic (including bicycles, motorbikes, skateboards, roller skates, and roller blades) other than emergency vehicles from 0630-0730, Monday through Friday, for the purpose of unit physical training (PT), provided that unit traffic control points are in place:

(1) Ardennes Street from Los Banos Street to Longstreet Road.

(2) All of Logistics Street; Goldberg Street from Logistics to Lane Streets; Randolph Street from Watson Street to Butner Road in the 1st COSCOM area; and Butner Road north of Honeycutt Road in the 1st COSCOM area.

### **Chapter 6**

#### **6-1. Stopping, Standing, and Parking.**

a. Except as necessary to comply with the law, the direction of a police officer, or an official traffic control device, no person shall stop, stand, or park a vehicle in any area not specifically designated as a parking area.

b. No person shall repair or perform maintenance upon a privately owned vehicle in a motor pool, a parking lot, or a housing area if the work requires more than one day. Violators of this provision will be cited and must move their vehicles to a craft shop or off post.

## **XVIII Airborne Corps and Fort Bragg Regulation 190-5**

c. Motorcycles, mopeds, and bicycles may not park in the areas abutting handicapped parking spaces. These areas must remain unobstructed to allow for the movement of equipment needed to assist physically impaired persons.

d. Military Police will not enforce parking spaces designated for commanders, first sergeants, or sergeants major. These are courtesy parking spaces and do not meet the requirements of any punishable statute.

e. Military Police will not enforce parking spaces designated for specific quarters in the housing areas. These are courtesy parking spaces and do not meet the requirements of any punishable statute. Residents who wish to complain about others parking in their spot should address this through Community Life Program channels.

## **Chapter 7**

### **7-1. Vehicle Impoundment.**

a. The Traffic Section of the Office of the Provost Marshal operates the only vehicle impoundment facility on the installation. Military Police may impound:

- (1) Vehicles in traffic accidents involving fatalities.
- (2) Vehicles seized as evidence.
- (3) Recovered stolen vehicles.
- (4) Abandoned vehicles.

b. An abandoned vehicle is defined as:

(1) Any vehicle left within the limits of any roadway, outside the cantonment area, or upon the property of another without the consent of the owner of the property, for a period of 24 hours or longer; or,

(2) Any remnant of a motor vehicle, which is inoperative and cannot be made operative without the addition of vital parts or mechanisms; or,

(3) Any other vehicle, which law enforcement personnel reasonably believe to be abandoned.

c. Law enforcement personnel discovering an apparently abandoned vehicle will attach a readily visible notification sticker (DD Form 2504) to the vehicle.

## **XVIII Airborne Corps and Fort Bragg Regulation 190-5**

d. The owner of an apparently abandoned vehicle will be allowed three days from the date the vehicle is tagged with a DD Form 2504 to remove the vehicle. If the vehicle is not removed within three days, it will be impounded. If it is necessary to remove the vehicle immediately, law enforcement personnel will attempt to contact the owner before impounding the vehicle.

### **Chapter 8**

**8-1. Vehicle Towing.** An on-post towing service and storage facility is operated as an Army & Air Force Exchange Service (AAFES) concession. Military Police will use this service, but may coordinate service for towing and storage when the operational traffic conditions dictate, when an immediate emergency requires additional service, or when the AAFES concessionaire cannot provide the service. Vehicle owners are responsible for all towing and storage fees. Military Police may order the following towed:

- a. Illegally parked personally owned vehicles.
- b. Personally owned vehicles that constitute a safety hazard, interfere with a military mission, block a fire hydrant, block a fire lane, or block a "B" lane. In cases of government vehicles, the assigned unit will be contacted to move their vehicle prior to towing.
- c. Vehicles for which no proof of ownership exists or cannot be reasonably obtained in a timely manner.
- d. Vehicles found in operation without current liability insurance.
- e. Vehicles at an accident scene, which law enforcement personnel determine to be unsafe due to mechanical deficiencies or structural damage, and cannot be repaired on the spot.
- f. Vehicles without handicap identification that are parked in a designated "Handicapped" parking space or area.
- g. Vehicles operated by drivers under the influence of alcohol or drugs.
- h. Any vehicle found to be operated by a driver whose license is currently under suspension or revocation in any state, province, territory, or country.

## XVIII Airborne Corps and Fort Bragg Regulation 190-5

### Notes

1. Due to the variety and combinations of circumstances that may arise, registration may be limited, rescinded, or denied pending receipt of additional guidance, information, and/or documentation from the registrant.
2. To obtain a temporary pass under any eligibility criteria, the individual must have an ongoing requirement to access Fort Bragg for at least 8 days from the date the temporary pass is applied for at a Vehicle Registration Center. Temporary passes will not be issued for shorter lengths of time. (Fort Bragg does not issue either "visitor" or "day" passes. Individuals eligible for VIP Passes may apply for those as described in para 3-6, FB Reg 190-5.)
3. In cases where a decal would normally be issued, but term of entitlement is less than a year (example: ETS in 3 months), only a temporary pass will be issued. Term of entitlement may be based on expiration date of ID card, etc.
4. Contractors, personnel applying for temp passes under para 3-3b and 3-3c, and personnel from states (such as Texas) not issuing hard copy registration documentation must use the Randolph Street Vehicle Registration Center.
5. "Contractor" refers to a business/entity having an actual contract requiring performance on Fort Bragg. Examples of valid contract documents include SF 1449, DD 1155, SF 26, etc. Other businesses/entities are called "vendors."
6. To be considered a POV, a vehicle must meet **all 4** of the following criteria: (1) is owned by and registered to a private individual (not a business/commercial entity... even if there is only one individual in the business/commercial entity, such as a sole proprietorship) (exception: rental vehicles, and vehicles being leased rather than purchased outright from a dealer on a standard lease agreement, may be treated as POVs, provided they meet the next 3 criteria), (2) is designed as a typical passenger vehicle (sedan, pickup truck, minivan, full-size passenger van, station wagon, SUV, etc.), (3) does not have or display any commercial markings (such as company name or logo painted on the body, removable magnetic sign with company name displayed on the vehicle, etc.), and (4) is not being used for commercial purposes. Vehicles falling outside this definition are classified as commercial or company vehicles. Registration of/as a commercial/company vehicle overrides all other entitlements and criteria for registration.
7. **The Appendix B memorandum format** is used **only** by contractor employees assigned to and working on Fort Bragg to register their Privately Owned Vehicles (POVs). This is the **only** situation for which this format is used.
8. **The Appendix C memorandum format** is used by contractors to request registration of their commercial/company vehicles (see Note 6 above), as well as by other personnel specified in paragraph 3-3b. For vehicles issued temporary passes under the provisions of paragraph 3-3b, the temporary pass is valid **only** for the individual to whom it is issued (the individual's name will be printed on the temporary pass).
9. Trucks larger than pickup truck size or passenger van size, and vehicles towing other vehicles/trailers/devices that cannot be readily visually inspected, are limited to using the Knox Street and Longstreet ACPs.
10. An individual entitled to register a vehicle may register a POV owned by his/her spouse.
11. Only the categories of personnel/vehicles shown herein are authorized to register; others are not so authorized.

### Documents Required for Registration for Decal or Temporary Pass

- 1 – Driver's license
- 2 – State registration
- 3 – Proof of insurance/financial responsibility
- 4 – Proof of Social Security Number
- 5 – Military ID card
- 6 – DA/DoD civilian ID card (CAC or DA Form 1602)
- 7 – Proof of employment, such as copy of initial pages of contract and memorandum (see sample at Appendix B) on company letterhead with original signature (**must** verify individual is assigned to and working on Fort Bragg)
- 8 – Memorandum (see sample at Appendix C) with current date and original signature by GC/DGC/business center director/brigade commander/tenant activity commander, typically COL or equivalent, permanently assigned to Fort Bragg, for persons under his/her supervision; note that under this provision, passes will only be granted to personnel who habitually operate the same vehicle, and are valid only for that person in that vehicle
- 9 – Power of attorney or notarized letter from vehicle owner specifying authorized inclusive dates for operation
- 10 – Host nation driver's license or international driver's license
- 11 – Proof of ownership/foreign country registration
- 12 – Proof of completion of a Motorcycle Safety Foundation certified Experienced Rider motorcycle safety course
- 13 – Copy of rental or lease contract (also see Note 2 above)

- 15 – Copy of appropriate documentation establishing individual as a parent/guardian of minor child ID card holder

## **XVIII Airborne Corps and Fort Bragg Regulation 190-5**

### **Glossary**

The definitions set forth in the glossary of the current AR 190-5 apply to this regulation. Selected definitions from AR 190-5, dated 8 Jul 88, as well as other definitions as specifically used in this regulation, are provided for your convenience.

**Motor vehicle.** Any vehicle driven or drawn by mechanical power, and manufactured primarily for use on public streets, roads, and highways. (Vehicles operated only on a rail or rails are excluded.)

**Privately owned vehicle (POV).** A POV is a vehicle that meets all four of the following criteria:

- Is owned by and registered to a private individual (not a business/commercial entity... even if there is only one individual in the business/commercial entity, such as a sole proprietorship) (exception: rental vehicles, and vehicles being leased rather than purchased outright from a dealer on a standard lease agreement, may be treated as POVs, provided they meet the next 3 criteria).
- Is designed as a typical passenger vehicle (sedan, pickup truck, minivan, full-size passenger van, station wagon, SUV, etc.).
- Does not have or display any commercial markings (such as company name or logo painted on the body, removable magnetic sign with company name displayed on the vehicle, etc.).
- Is not being used for commercial purposes.

**Commercial or company vehicle.** A commercial or company vehicle is a vehicle falling outside the definition established for a POV. The terms "commercial vehicle" and "company vehicle" are synonymous.

**Vehicle registration.** The process by which an individual applying for a decal/temporary pass personally visits a Vehicle Registration Center, completes required paperwork, presents required documentation, and receives/updates a decal set or a temporary pass. Entry of the appropriate data into the Vehicle Registration System (VRS) completes the process.

**Contractor.** A business/entity and its employees having an actual contract requiring performance on Fort Bragg. Examples of valid contract documents include SF 1449, DD 1155, SF 26, etc. A business/entity falling outside this definition is considered a **vendor** (See below).

**Vendor.** A business/entity and its employees doing business with Fort Bragg but without a contract, e.g., via Government purchase/credit cards.

## **XVIII Airborne Corps and Fort Bragg Regulation 190-5**

**Suspension of driving privileges.** The temporary withdrawal by the Garrison Commander of a person's privilege to operate a motor vehicle on a military installation for up to 12 months. Privileges normally are automatically restored on the day after the date the suspension ends.

**Revocation of driving privileges.** Action taken by the Garrison Commander to terminate a privilege to operate a motor vehicle on a military installation.

**Restricted driving privileges.** The granting of limited driving privileges (subsequent to suspension or revocation of installation driving privileges), such as driving only directly to and from the place of employment/duty, provided the person's state driver's license remains valid. Requests for restricted driving privileges will be referred to the Garrison Commander for determination.

**Traffic laws.** All laws, ordinances, and regulations concerning roadway traffic, including operation of motor vehicles, parking, and regulations on weight, size, and type of vehicles and cargo.
